

CURE BREAST CANCER FOUNDATION

Attention Shotgunners (Trap, Skeet, Sporting Clays, Wobble, Hunters)

You are cordially invited to join us on Saturday, November 19, 2016, to break some clays for your mom, your wife, your daughter, your sister, your friends and neighbors at the Cure Breast Cancer Foundation's

2016 FALL CLASSIC CLAY TARGET SHOOT (SAT., NOVEMBER 19th)

The 'Classic' is a 100 target event... 50 pairs of sporting targets (both on-report and simultaneous)... we'll have challenging targets for experienced shooters and less challenging targets for the beginner and novice shooter. You'll have a fun-filled day breaking clays, enjoying a delicious continental breakfast and lunch while helping to support research to find cures for breast cancer. Shooters will receive an event hat and towel. Lewis Class option is available. Save the date. Entries limited. Register quickly.

The CURE BREAST CANCER FOUNDATION is a 501 (c) (3) charitable foundation that supports pioneering research under the direction of Dr. Larry Norton of the Memorial Sloan-Kettering Cancer Center in New York City. Dr. Norton is one of the nation's leading breast cancer oncologists and researchers. A substantial portion of your entry-fee will be donated to support research and is tax deductible.
